

## **May 9 ACPB Minutes**

**Present: Cederberg, Lembke, Robinson, Wicks**

**Minutes of may 2 meeting were approved as corrected.**

1. The computer requests were reviewed. It was noted that that most computer requests will not change because of faculty retirements. The requests were approved by the ACPB contingent on the final budget information to come from the Treasure's office, and on some possible shifting of equipment due to faculty retirements. Tentative announcements will be sent out to the faculty the last week in May. Interrupt
2. The Campus-Wide Information System (CWIS) has recommended that Nancy Ashmore and Tom White serve as co- Web Masters to oversee the policies. The ACPB has a concern about the apparent enforced uniformity of all department home pages. The ACPB recommends that CWIS establish the mechanism to support consistency rather than enforce uniformity of home pages. It was further recommended that Nancy and Tom oversee the policies and not the use of the CWIS.
3. Roberta is trying to replace Craig Rice July 15 to Jan 31. This has been approved and there are two applicants already.
4. Roberta reported another public lab computer theft in Rand this week. This is the third computer stolen from Manitou and Rand this year. The public labs in these buildings will be locked from 12:00 - 800 a.m. in those dorms on Friday and Saturday of this weekend only.
