

St. Olaf Artist Series

The St. Olaf artist series each year presents several outstanding attractions from the fields of music, drama, and dance. These concerts by world famous artists are intended primarily for St. Olaf students as an important facet of their college education.

The attractions are selected by a faculty/student committee. The concerts are free to students, faculty, and staff. Tickets for both reserved and general admission seats are placed on sale to the public as part of the college's cultural responsibility to the community.
