

Curriculum and Educational Policies Committee

Wednesday, 17 March 2004

Present: Carolyn Anderson, Jo Beld, David Booth, Mary Cisar, Steve Hahn, Alice Hanson, Thomas Rusert, Paul Zorn

David Booth called the meeting to order at 3:20 p.m.

1. The minutes of the 3/10/04 meeting were approved with minor revisions.
2. With regard to departmental name changes, CEPC decided that such changes fall within the purview of individual departments. However, CEPC will inform the faculty at its April meeting of the new name of the mathematics department, Department of Mathematics, Statistics, and Computer Science (MSCS).
3. The following new courses were approved upon recommendation of the New Courses Subcommittee and will be voted on by the faculty at its April meeting:

Computer Science 125 Accelerated Principles of Computer Science

Chemistry 119 A Matter of the Environment

Chemistry 124 A Matter of the Environment (with lab)

The meeting was adjourned at 4:00 p.m.
