The first meeting of the Curriculum and Educational Policy Committee for 2003-04 was called to order by David Booth at 3:20 p.m.

The committee acted on two recommendations on student petitions presented by Mary Cisar on behalf of the Foreign Language subcommittee.

2. David Booth asked that the chairs of the course subcommittees submit final catalog course descriptions to the Registrar's Office electronically after courses are approved by CEPC.
3. The committee will consider new course proposals for spring 2004 at its next meeting on 9/24/03, and special course proposals for interim 2004 on 10/4/03.
4. CEPC briefly discussed whether the committee should play a role representing the faculty regarding the curricular implications of the nursing program in the process of evaluation by the task force recently appointed by the college president.
5. The meeting was adjourned at 4:18 p.m.

Respectfully submitted,
