

### Lab Presentation Evaluation Sheet

This sheet is to be completed by the supervising faculty member for the lab, and discussed with the student preceptor immediately after the lab. The preceptor should keep the form as a part of the material they bring to preceptors' meetings for discussion. The faculty member doing the rating should be sure to include specific comments for improvements, particularly when a low rating is given.

	Poor		Good		Excellent
<b>Lab Presentation</b>					
Was efficient and friendly in the conduct of beginning business.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Presentation of concepts was clear and responsive to students.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Overview of procedure was clear	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Comments for Improvement:					
<b>Conduct of the lab</b>					
Materials were well organized.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Procedures were explained clearly and well organized	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
