

## **General Education Committee**

### **Minutes for February 27, 2002**

Present: Bruce Dalgaard (IGS), John Day (Assoc. Dean, IGS), Alison Feldt (Chair, FA), Steve Reece (HUM), Naurine Lennox (SAS), Niels Knutson (student, voting).

The Chair called the meeting to order at 3:20.

The committee celebrated--with Naurine's delicious cake--Jill Dietz's tenure and promotion and, with some reservations, John Day's new position.

The minutes of the February 20th meeting were approved without change.

**Phil 250: Biomedical Ethics (GEC #842)** was approved for EIN.

**IS 206: The Politics of American History (GEC #843)** was returned with a request for greater detail/clarification, especially on HWC Guidelines #1 and #5.

**Nor 127: Nordic Folklore and Mythology (GEC #841)** was approved for ALS-L.

The Chair announced that the committee will begin reviewing the Guidelines for MCS-D and MCS-G at next week's meeting.

The meeting was adjourned at 4:00.

Respectfully submitted,  
Bruce R. Dalgaard, Secretary Pro Tempore
