

New Course Rationale

(Please respond to the following items in the space provided or, if you prefer, on a separate sheet.)

1. What is the distinctive contribution of this course to the General Education and/or major curriculum of your department or program?
2. What impact will this course have on departmental staffing and teaching assignments? Will other courses in your department be eliminated or taught less often?
3. What is the anticipated enrollment size for this course, and how did you determine that? What population of students will this course serve?
4. On what basis did you determine the appropriate level and prerequisites for this course?
5. In consultation with the Collection Development Librarian and the Director of the Academic Computing Center, describe how current library and computing resources would support this course and what additional materials or services might be needed:
6. How often will this course be offered? On what basis did you determine that?

(form continues on the reverse)

7. If this course will come before the faculty as a whole, please provide a CEPC “green sheet” rationale statement:

NAME OF DEPARTMENT CHAIR (printed or typed)

Signature and date
