My relatives. It's good to see you all today. With a good heart I shake all of your hands. In English, I'm Whitney White. In Dakota, I'm called Blue Cloud Woman. My people are Mdewakanton. I'm 21 years old. I live at Prairie Island and I'm from Prairie Island. I was born in Red Wing. I work at a store, and I go to school at St. Olaf College. I have a daughter and her name is Hailey, she is seven years old. I cherish the Dakota Language. That's all. Thank you.
