

Environmental Studies Concentration Checklist*
2009-2010

1. Introduction to Environmental Studies

- ES 137

2. Natural Science study of the environment (*one course from*)

- ES 226
 ES 245
 ES 255
 ES 281/381 when taught with natural science focus and approved by Chair
 Bi/ES 350
 Bio 224
 Bio 226 or 261

- Bio 228
 Chem 124
 Chem 255/256
 Phys 123
 Bio/Chem 391 when taught with environmental science focus and approved by Chair

3. Social Science study of the environment (*one course from*)

- ES 201
 ES 225
 ES 232
 ES 276
 ES 281/381 when taught with social science focus and approved by Chair

- Econ 242
 PS 221
 Psych 227
 SA 222

4. Arts and Humanities study of the environment (*one course from*)

- ES 202
 ES 222
 ES 270
 ES 281/381 when taught with arts and humanities focus and approved by Chair

- Hist 240
 Hist 275
 Phil 257
 Eng 276

5. Electives in Environmental Studies (*two courses from*)

- ES 201
 ES 202
 ES 222
 ES 225
 ES 226
 ES 232
 ES 245
 ES 255
 ES 270
 ES 276
 ES 281/381
 ES 399
 Bi/ES 350
 Bio 224
 Bio 226 or 261

- Bio 228
 Bio/Chem 391 when taught with environmental science focus and approved by Chair
 Chem 124
 Chem 255/256
 Econ 242
 Eng 276
 Hist 240
 Hist 275
 Phil 257
 Phys 123
 PS 221
 Psych 227
 SA 222

6. Experiential Component

* Double counting of courses for multiple requirements is not permitted. For example, consider ES 201. If the course is applied to requirement #3, then it cannot be used to satisfy #5 and vice versa.
