

**Environmental Studies Major Worksheet**  
Natural Science Track\*  
2009-2010

1. Introduction to Environmental Studies
  - ES 137
  
2. Social Science study of the environment (*two courses from*)
  - ES 201
  - ES 225
  - ES 232
  - ES 276
  - ES 281/381 when taught with social science focus and approved by Chair
  - Econ 242
  - PS 221
  - Psych 227
  - SA 222
  
3. Arts and Humanities study of the environment (*two courses from*)
  - ES 202
  - ES 222
  - ES 270
  - ES 281/381 when taught with arts and humanities focus and approved by Chair
  - Hist 240
  - Hist 275
  - Phil 257
  - Eng 276
  
4. Statistics, Modeling and Mapping (*one course from*)
  - ES 255
  - Stat 212
  - Stat 272
  
5. Intermediate Chemistry (*one course from*)
  - Chem 248/254
  - Chem 255/256
  
6. Intermediate Ecology (*one course from*)
  - Bio 261
  - Bio 226
  
7. Environmental Science (*two courses from, one must carry ES dept designation*)
  - ES 226
  - ES 245
  - ES 255
  - ES 281/381 when taught with natural science focus and approved by Chair
  - Bi/ES 350
  - Bio 224
  - Bio 228
  - Phys 123
  - Bio/Chem 391 when taught with environmental science focus and approved by Chair
  
8. 300 level Environmental Science (*one course from*)
  - ES 381 when taught with natural science focus and approved by Chair
  - Bi/ES 350
  - Bio 310
  - Bio 320
  - Bio 371
  - Bio/Chem 391 when taught with environmental science focus and approved by Chair
  
9. Senior Capstone
  - ES 399
  
10. Experiential Component

\* Double counting of courses for multiple requirements is not permitted. For example, consider ES 255. If the course is applied to requirement #4, then it cannot be used to satisfy #7 and vice versa.
