She came to St. Olaf to start a new program  
Naurine is the queen of “Here’s how to relate”

She worked long and furious, one dean was injurious  
Today our whole program is in a gem state

Um ya ya, Um ya ya  
Um ya ya, Um ya ya  
Um ya ya, Um ya ya  
Um ya ya ya!....**Repeat**

They come to St. Olaf all full of the raw stuff  
Our students, the cream of the colleges great

They labor for four years, through classes and fieldwork  
Empowered and ethical. Surely first-rate!

Um ya ya, Um ya ya  
Um ya ya, Um ya ya  
Um ya ya, Um ya ya  
Um ya ya ya!...**Repeat**

Thank you, Naurine, students, & alumni for 30 years  
of preparing people for lives of worth and service and for more than a livelihood!

Following dinner, all are welcome at Mary & Peter’s home
