

ST. OLAF COLLEGE

PARTNERS IN ANNUAL GIVING

Interim at St. Olaf has always been a special time to learn, grow, and experience the world outside of the rigors of the academic year.

As a freshman, I built friendships over Interim that I know will last a lifetime.

and...

1,921 students were on campus intensely focusing on a single subject.

46 students conducted independent research projects.

178 students traveled throughout the United States as part of **12** domestic courses such as "The New Hampshire Primary and US Presidential Politics."

This interim...

385 students went abroad as part of **17** international off-campus courses such as "Nationalism and Revolution in Vietnam" or "Italian Art in Context."

In January 1973, I traveled to Washington DC and was a witness to history first-hand. I attended Nixon's inauguration, saw Johnson's funeral procession, and listened to oral arguments of the Supreme Court all in the same month!

87 students gained valuable experience from internships.

To me, Interim is a time of rejuvenation. It was rewarding and refreshing to be able to devote myself to and delve deep into one academic subject.
