

Statistics for the WLC Holdings Usage 07-08

In 2007/08 students used 283 items from our holdings

We used these items for a total of 20,430 uses over the two-year period

We used materials 11,568 times when we left out the "GG" equipment usage (headsets)

That tallies to each material item was used on the average of 58.5 times

"GG" items were heavily used with an average of 100 times per item.
