

Faculty Governance Committee 08/09–01

October 29, 2008

To: St Olaf Faculty

From: Faculty Governance Committee

Subj: Motion

At the November Faculty Meeting, the Faculty Governance Committee will propose the following motion:

That the faculty strike the following sentence from the *Faculty Manual* at 3. IV. B. 5. c:

- (iv) The Dean of Community Life and Diversity, or a designated representative

and renumber the remaining entries in that section accordingly.

Rationale: The sentence to be struck is taken from the list of Personnel on the Student Life Committee. The post of Dean of Community Life and Diversity no longer exists at the college. This motion simply brings the *Manual* into line with that fact. The Faculty Governance Committee continues discussion about what possible loss to the Student life Committee this alteration might cause, and how such loss might be remedied.
