20. Unique Qualities

At St. Olaf, approximately two-thirds of its student body participates in international study programs and one-third of the students participate in musical organizations. The internationally acclaimed St. Olaf Choir, Orchestra and Band each go on one major U.S. tour each year and perform internationally every few years. Natural habitat restoration and agriculture at St. Olaf College includes 700 acres of land dedicated to natural habitat, sustainable agriculture and conventional agriculture. This includes 45 acres of native prairie and five wetland areas.
