

St. Olaf College Class of 2010

Primary activities based on a survey approximately nine months after graduation

Number of respondents by first, second & third majors (i.e., individuals can be double- or triple-counted)

Percent of respondents in major

Note: Primary activity either as reported, or based on the following hierarchy:

If reported both a full-time and part-time activity, full-time activity counted here

If reported both employment and education as full-time activities, further education counted here

Volunteer work reported only if full-time
