

CLASS OF 2010 DIPLOMA, PROGRAM AND MAJOR PROOF

This is a preliminary, alphabetical listing of the Class of 2010 for the commencement program and diploma. Please proofread your information on this list and send corrections to registrar@stolaf.edu

Note: If your name in the Diploma Name column is listed as last name, first name order and there is no name in the Program Name column, this means we did not receive your graduation application. Please turn it in as soon as possible but no later than February 15th.

Note: If your names does NOT appear on this list at all - this means that we do not have you listed as graduating in 2010 or that you never declared a major. Please email Katherine Baker, Associate Registrar for Student Services, or call x3758 immediately.

- \* Check how your name is listed in the Diploma Name and the Program Name column - is it spelled correctly?  
Is the name of your home town and state or country correct?
- \* Check the majors, concentrations, and emphases that are listed in the last column.  
Are they correct?
- \* If your name starts with a lower-case letter it will show at the top of this list. Don't worry, the final graduation program will show all names correctly alphabetized.
- \* Students who were on abroad programs this fall will get their senior audit packets upon their return. You can turn the graduation applications in at that time.

Your preferred order of majors does not match your graduation application on this proof. We will use the order you listed on your graduation application for your final transcripts.

We will update this list every Monday through April so that corrections can be seen.
