

<p><i>Explore Resource</i> http://www.stolaf.edu/services/ce/ resource.html</p>	<p>The online Explore Resource provides students who are searching for a vocation, major, specific competencies, or area(s) of interest with a central resource and continuing support to discover and plan intentional and well-rounded explorations of the liberal arts.</p>	<p>Students with multiple interests, those who are undecided, those who haven't identified interests, those considering a change of major, and those interested in developing a well-rounded liberal arts perspective will benefit from the Explore Resource. The instructions for use are online at the URL.</p>	<p>The Explore Resource complements the input of faculty advisors. It has been developed collaboratively by faculty and Center for Experiential Learning (CEL) located in the Old Main Annex (soon moving to the Modular Village). A student's first year is not too early to visit the CEL to learn about the variety of opportunities for vocational and career planning.</p>
<p>ASC <i>Academic Support Center</i> Office: Modular Village Phone: x 3288 Email: asc@stolaf.edu http://www.stolaf.edu/services/asc</p>	<p><i>"...helping with your plan to be a better student..."</i> is the goal of the ASC. It's the first stop for students interested in improving their academic performance. The ASC helps students develop and execute appropriate plans for becoming more effective and efficient students. More information on the website...</p>	<p>Whether the issue is a particular class, time management, study habits, language or a disability, call x 3288 and make an appointment to meet with one of the staff. During your appointment they will work with you on identifying resources needed, where they are available and how to use them.</p>	<p>The ASC professional staff have specialties in language learning, analytical skills, tutoring, or disability services. The ASC student staff is trained to provide help via the Writing Place, the Study Skills Center, the Math Clinics, or individual tutoring.</p>
