

Semester II, Phase 1 Web Course Choice Submission and Registration as of November 20, 2007 (Phase 1 + Mid-Point Correction)

	Class Year	2008	2009	2010	2011	None	Total
Total number of students		714	700	755	755	37	2961
Students who received no courses in Phase 1:							
Early Grads or Otherwise Done after Interim (Participators, BM 07 St. Teach.)		12				27	39
Number of students studying off-campus Semester II			38	5			43
Number of students with holds remaining on record at Phase 1 run		10	6	5	5		26
Students Eligible for Sem II Phase 1 Pool (total students minus those who will graduate, those to be registered for off-campus programs, those with holds); includes those eligible to submit choices but who did not.		692	656	745	750	10	2853
Number of pool-eligible students who did not submit or did not receive courses		49	81	34	32	3	199
No course choice submissions in Phase 1		38	65	31	18	3	155
Number of students who were actually in the Phase 1 Pool (that is, who submitted choices and either were or were not registered into courses)		654	591	714	732	7	2698
Students receiving no courses after submitting choices in Phase 1		11	16	3	14		44
Number of Students who were registered into at least one course in Phase 1		643	575	711	718	7	2654

	2008	2009	2010	2011	None	Total
Number of students with one course (not credit) after Phase 1	67	68	74	89	1	299
Number of students with two courses (+ associated labs/discussions) after Phase 1 (goal of Phase 1=2 courses). Includes only courses posted November 12; does not include: Music Lessons; GE 111; Religion 121, Conversations; Music 112/114 (required continuation of GE, no other students eligible).	570	505	634	627	6	2342
Number of students with three courses after Phase 1 (because of departmentally-pre-registered courses)	6	2	3	2		13
Total number of students who were registered into at least one course in Phase 1	643	575	711	718	7	2654
Total number of students who were registered into at least 2 courses in Phase 1	576	507	637	629	6	2355

Breakdown of Registration by Pre-registered courses, first course, second course:

	2008	2009	2010	2011	None	Total
Number of students who received their 1st choice for 1st course (Pre-reg or ch. 1)	607	517	690	678	7	2499
Number of students who received their 1st or 2nd choice for 1st course	638	561	708	714	7	2628
Number of students who received their 1st choice for 2nd co. (Pre-reg or ch. 1)	518	460	592	587	5	2162

Number of students who received their 1st or 2nd choice for 2nd course 564 498 626 626 6 2320

Detail:

	2008	2009	2010	2011	None	Total
Number of students pre-registered for their first course (through dept./prog.)	147	106	132	43		428
Number of students pre-registered for their second course (through dept./prog.)	36	21	29	18		104
Number of students pre-registered for their third course (through dept./prog.)	6	2	3	2		13
Number of students who received their first-choice first course	460	411	558	635	7	2071
Number of students who received their second-choice first course	31	44	18	36		129
Number of students who received their third-choice first course	3	8	2	3		16
Number of students who received their fourth-choice first course	1	3				4
Number of students who received their fifth-choice first course	1	2	1			4
Number of students who received their ninth-choice first course		1				1
Number of students who received their eighteenth-choice first course				1		1
Number of students who received their first-choice second course	482	439	563	569	5	2058
Number of students who received their second-choice second course	46	38	34	39	1	158
Number of students who received their third-choice second course	9	4	10	3		26
Number of students who received their fourth-choice second course	3	3	1			7
Number of students who received their fifth-choice second course		1				1
Number of students who received their seventh-choice second course		1				1

What percentage of pool-eligible students actually submitted choices?	94.51%	90.09%	95.84%	97.60%	70.00%	94.57%
What percentage of students who submitted choices received at least one course?	98.32%	97.29%	99.58%	98.09%	100.00%	98.37%
What percentage of students who submitted choices received at least 2 courses?	88.07%	85.79%	89.22%	85.93%	85.71%	87.29%
What percentage of students who received courses in Ph. 2 received two courses?	89.58%	88.17%	89.59%	87.60%	85.71%	88.73%
What percentage of students who received at least 1 course received their first choice for their first course?	94.40%	89.91%	97.05%	94.43%	100.00%	94.16%
What percentage of students who received at least 1 course received their first or second choice for their first course?	99.22%	97.57%	99.58%	99.44%	100.00%	99.02%
What percentage of students who received at least 1 course received their first choice for their second course?	80.56%	80.00%	83.26%	81.75%	71.43%	81.46%
What percentage of students who received at least 1 course received their first or second choice for their second course?	87.71%	86.61%	88.05%	87.19%	85.71%	87.42%
What percentage of students who received at least 2 courses received their first choice for their second course?	89.93%	90.73%	92.94%	93.32%	83.33%	91.80%
What percentage of students who received at least 2 courses received their first or second choice for their second course?	97.92%	98.22%	98.27%	99.52%	100.00%	98.51%

Phase 1 + Mid-Point Correction as of 11-20-07 (Compared to Situation after Ph. 1 ONLY)

	2008	2009	2010	2011	None	Total
Students who are Early Grad/Participator/St Teach. and are finished after Sem. I	8				22	30
Students who have no course registered for Sem. II, no information available	16	42	20	1		79
Students who still have holds on their account; therefore, no registration	20	15	7	4	4	50
Students not returning	1	2	1		3	7
Students who will be studying off-campus Semester II		38	5			43
Total students with no course following Phase 1 + Mid-Point Correction	45	97	33	5	29	209

FOR COMPARISON: Situation after Phase 1 ONLY (from above):

Students who are Early Grad/Participator/St Teach. and are finished after Sem. I	12				27	39
Total st. with no course registration for Sem. II after Ph. 1 (no subm., no co aft subm.)	49	81	34	32	3	199
Students who still have holds on their account; therefore, no registration	10	6	5	5		26
Number of students studying off-campus Semester II		38	5			43
Total students with no course following Phase 1 (before Mid-Point Correction)	71	125	44	37	30	307

Number of students by **number of courses (not credits)** after Phase 1 + Mid-Pt Correction
(includes music lessons, registered FYS courses):

	2008	2009	2010	2011	None	Total
Students with one COURSE	21	10	10	10		51
Students with two COURSES	429	331	258	42	5	1065
Students with three COURSES	175	188	273	306	2	944
Students with four COURSES	42	72	131	226		471
Students with five COURSES	1	6	46	91		144
Students with six COURSES	2	1	3	69		75
Students with seven COURSES			2	8		10
Students with eight COURSES				2		2
Grand Total	670	608	723	754	7	2762

Number of credits per student as of Phase 1 + Mid-Point Correction (includes music lessons, early-registered FY courses and all conversations programs registration, plus all pre-registration and registration through web submission; includes some but by no means all IS/IR/Internships).

NOTE: Not all seniors need / will likely take 4.00 - 4.50 credits.
