Northfield, MN

NONDISCRIMINATION POLICY

(IRS Schedule A, [Form 990] Part V – Line 31)

All of our brochures and catalogs dealing with student admissions, programs, and scholarships include our racially nondiscriminatory policy as to students. Further, all written advertising given to prospective students contains our policy statement. Because we customarily draw about 50% of our students from outside the state of Minnesota, we do not have to publicize our racial nondiscriminatory policy to the general community. In order to demonstrate that we are following our policy we point to our current enrollment of racial minority students which stands at about %; we feel this is a meaningful number to qualify for the publicity notice exception provided by Section 4.03(2)(b) of Rev. Proc. 75-50.
