

THE FUTURE OF MATH + SCIENCE

Our new, 193,000-square-foot Science Complex will open in the fall of 2008 with 26 teaching labs, 17,000 square feet of student-faculty research space and an 8,000-square-foot science library. The complex will be a model of environmental design, emphasizing state-of-the-art strategies for sustainable site development, water savings, energy-efficient materials selection and indoor environmental quality.

\$33,000,000 CAMPAIGN GOAL*

\$26,400,000
AS OF OCTOBER 9, 2007

*The total cost of the Science Complex is \$64.4 million. The difference between funds raised in the campaign and the total cost will be financed through loans (\$28.5 million) and the college's capital renewal fund (\$2.9 million).
