

GIFTS TO THE COLLEGE

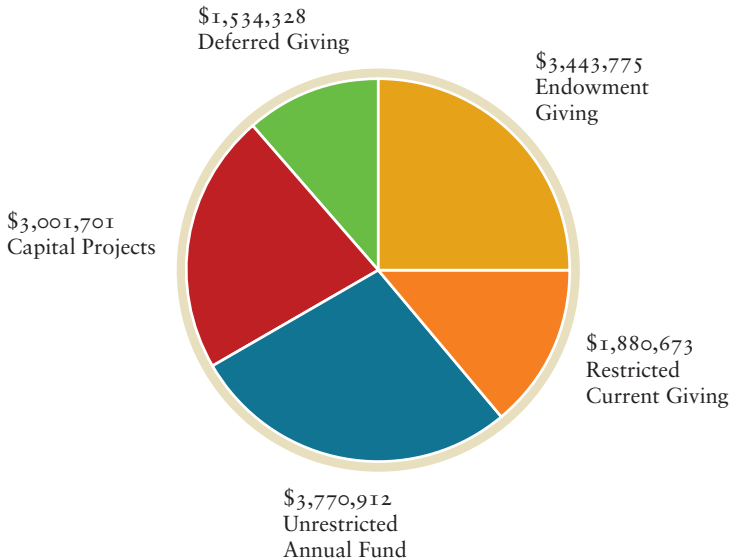

The College received \$13.6 million in gifts during the fiscal year. This was a remarkable testimony to the steadfastness of St. Olaf's supporters, given both their generous response to the recently concluded campaign for Regents Hall and the challenging economic conditions that prevailed in 2008.

Through Partners in Annual Giving, 11,967 alumni, parents, friends of the College, and corporations contributed \$3.8 million to the College's annual fund.
