

Looking to work abroad next year? How about working in Germany?

Nanny (Aupair) in Frankfurt, Germany - September 2007-2008!

We are a lively English-German family based in Frankfurt, Germany. We are 37 (Mum), 40 (Dad), 2 years old (Timothy), and have two cats. We have another 11 year old boy (Kenneth) who spends every other weekend with us. We are native German and English speakers at home.

We live in Central Frankfurt in a large flat in a quiet residential area. We can offer our Aupair a separate apartment directly below our flat, with own entrance, kitchen, bath etc..

We would expect the (female, sorry gents) Aupair to be flexible in working hours, with a total of 35-40 hours a week. In addition to taking care of Timothy and taking him to and from his preschool or playgroups, the Aupair should be willing to do simple household work (we have a cleaning lady) and care for our two cats during the day. Pay will be negotiable within the \$500 range per month. In addition, we would provide room and board and cover tuition at a German language school.

Outside work and family, we are active in sports, travel and outdoor activity, and have a keen interest in music and the arts.

For more information, please contact Ina and Andrew Lockhart at ina@lockhart.de

We look forward to hearing from you!

Ina, Andrew, Kenneth, and Timothy

Sarah Schuurman '01 is currently in this position. It's been a wonderful experience for her, but she will need to leave in August. The family would love to have another Ole work for them. If you have questions, email Sarah at: schuurman.sarah@gmail.com
