

Laura Guzman

HealthFinders Collaborative, Inc.
Supervisor: Angie Koch

HealthFinders provides quality, accessible and culturally sensitive healthcare services, at no cost, to low-income and uninsured residents of greater Rice County.

- Designed a patient advocacy model to enhance outreach services
- Created a handbook, job description and all necessary dependent forms to ensure a successful program

“Complacency and apathy come at a cost too great for me to bear. I am just one person, but I can live my life consciously, aware of my privilege, and willing to act out of love on behalf of others without similar privileges.” Laura Guzman
