St. Olaf TRiO McNair Scholars Program

The TRiO McNair Scholars Program would like your assistance in identifying sophomores who are interested in pursuing a doctoral degree. The TRiO McNair Scholars Program is a graduate school preparatory program funded by the U.S. Department of Education and sponsored by St. Olaf College. A goal of the program is to increase the number of low-income, first-generation and underrepresented students who complete doctoral degrees. Scholars participate in an internship, conduct research with a St. Olaf faculty mentor and receive assistance with researching graduate schools, GRE preparation and assistance with fellowships and graduate school applications. If you know of a student who may be interested in such services, please complete this form and return it to Janis Johnson through campus mail or to TOH 290.
