INTERVENTION

If an Upward Bound student fails to meet all policy requirements, the student **must** meet with Upward Bound staff in order to solve the problem and get back on track. Students will be expected to negotiate a Monthly Academic Goals (MAG) , Student Weekly Academic Goals (SWAG) or contract with Upward Bound staff in order to improve performance. MAGs, SWAGs, and contracts will have specific goals for students to meet.

PROBATION

If an Upward Bound student fails to complete goal or intervention contracts, the Upward Bound staff will put this student on **probation**. This is the last chance to show an academic or behavior change before the student is dropped from the UB program.

Once on probation, the following will occur:

- Student must meet all probationary requirements to be in good standing.
- Student is not eligible to receive stipend payments.
- Parent/guardian(s) will be informed.

GOOD STANDING

Once a student has returned to good standing from probationary status, any policy infraction may immediately return that student to probation.

I have read, understand, accept and agree to the conditions of this policy. I also understand that failure to meet the conditions of this policy may result in termination from the St. Olaf Upward Bound program, or may trigger a student contract.
