Wires and ACH/EFT Instructions

1. Wires

When remitting wire payments to the U.S. Dollar (USD) Multi-currency Account of St. Olaf College, please instruct the initiating bank to route the payment as follows:

**Beneficiary’s Bank:** Wells Fargo Bank International, New York  
**Beneficiary’s Bank SWIFT BIC:** WFBIUS6S  
**FED Wire:** 121000248  
**CHIPS Payment:** CHIPS ABA 0407  
**Beneficiary’s Account Number:** 1490010006  
**Beneficiary’s Name:** St. Olaf College  
**Beneficiary’s Address:** 1520 St. Olaf Avenue  
  Northfield, MN 55057

*SWIFT Field 57a*  

The International bank identification code for USA is 840

In some European banking systems they separate the thousands with a period and the cents with a comma.

For international wires incoming to the US, no IBAN is needed. The US is the only country that doesn’t use IBAN’s for incoming wires.
