**XXXVII INTERNATIONAL SUMMER CONFERENCE  
ON REAL FUNCTIONS THEORY**

Traditionally, Pomeranian Academy in Słupsk, University of Łódź, Technical University of Łódź and Slovak Academy of Sciences organize XXXVII International Summer Conference on Real Functions Theory from September 10 till September 15, 2023, with topics including but not limiting to generalized continuity, topology, functional equation, derivatives, integration, measure, multifunctions, structures on the real line as well as their applications. The conference will take place in Kormoran hotel in a small seaside town Rowy, Poland.

The organizing committee: Stanisław Kowalczyk (president) and Małgorzata Turowska.

The programme committee: Marek Balcerzak, Ľubica Holá, Stanisław Kowalczyk, Ryszard Jerzy Pawlak, Mikhail Popov.

Lectures will read the following professors:

- **Peter Eliaš**, Slovak Academy of Sciences, Slovakia;
- **Włodzimierz Fechner**, Technical University of Łódź, Poland;
- **Rafał Filipów**, University of Gdańsk, Poland;
- **Olena Karlova**, Yuriy Fedkovych Chernivtsi National University, Ukraine.

The cost of accommodation and full board will stand 2100 PLN or 450 EUR; the conference fee is 400 PLN or 85 EUR and it includes use of conference facilities, copies of abstracts, refreshment, welcome party, as well as the printing cost of conference proceedings and the total expenses for the invited lecturers. It makes 350 EUR altogether.
