*It must be somewhere, the original harmony,
somewhere in great nature, hidden.
Is it in the furious infinite,
in distant stars' orbits,
is it in the sun's scorn,
in a tiny flower, in tree gossip,
In heart music's mother song
or in tears?*

*It must be somewhere, immortality,
somewhere the original harmony must be found:
how else could it infuse
the human soul,
that music?
- Juhan Liv*
