THE PROGRAM

Venus Po-ning Su '21

Senior Speaker

Venus Su, from Taipei, Taiwan, is graduating with a major in Instrumental Music Education. She is a member of the St. Olaf Band (piccolo/flute) and the St. Olaf Orchestra (piccolo/flute), the St. Olaf Handbell Choir (handbells), the Chinese Music Ensemble (*guzheng*) at Carleton College, and is a volunteer with Alpha Phi Omega.

In addition to her music commitments, Su has held a variety of positions with numerous college organizations. These include serving as co-president of the Taiko Club, playing piccolo in the Pep Band, singing in the Collegiate Chorale, and participating in both the Environmental Conversation Program and The Bandana Project. Su was also a student manager for St. Olaf Philharmonia and a piano class tutor. On the field, Su played wing on the women's rugby team in addition to intramural broomball.

Su took advantage of many opportunities during her four years at St. Olaf, and traveled extensively with the St. Olaf Band and St. Olaf Orchestra during their international and domestic tours. This included a memorable tour to New Zealand and Australia with the St. Olaf Band when she was a first-year student. She also participated in the Multicultural Education Interim in Hawaii during her junior year.

One of the things that Su loves most about St. Olaf is that her professors genuinely care about her personal and academic well-being. While on the Hill, she was encouraged to think outside of the box and most impacted by Music Professor and St. Olaf Band Conductor Timothy Mahr '78 and his composition class, and by Professor Caitlin Schmid's Listening to Dance Music class.

Su will never forget the constant support and smiles brought to her by Artist in Residence Catherine Ramirez, and by the friendly faces in the hallways, Stumpy the squirrel, sunsets on the Hill, and Pause cookies. Su feels that she has been surrounded by the kindest and most supportive people she has ever met, like Lau and Babu, the True Hero Quintet, and the Hawaii Trio.

Following graduation, Su will be student teaching for a semester before she moves on to making a positive impact in the educational field and in the lives of her future students.

Su's family includes her parents, Sheng-hsiu "Vincent" and Kang-pin "Apple," and siblings Fiona, Angel, Claude, and Tiffany.

THE PROGRAM

THE ST. OLAF COLLEGE GONFALON

Composed of the college colors and showcasing the college seal, the St. Olaf College gonfalon leads the commencement procession. Following the gonfalon in the procession will be President David R. Anderson '74 and Provost and Dean of the College Marci Sortor, the platform party, the faculty, the traditional black and gold class banner announcing the class year, and the graduating class.

Gonfalons first appeared in medieval Italy, where every hamlet had its own brightly colored banner with symbolic references to the town. It was carried in official processions by a *gonfaloniere*. Today, gonfalons appear in college and university commencement exercises worldwide.

THE ACADEMIC PROCESSION

The traditional academic procession introduces many of the more formal and significant events at St. Olaf, as it does on most college and university campuses. Although the history of wearing distinctive apparel as an indication of scholarship and academic rank dates back to 1321, the practice was not adopted throughout the United States until about 1900.

The cap worn almost universally in academic processions is the Oxford cap, better known as the mortarboard. It is always black. A different style, called the Cambridge cap, resembles a large beret.

The use of a dark robe in academic processions is thought to have arisen from the clerical practice of wearing a cape or mantle in religious processions in the 12th and 13th centuries, when universities arose from cathedral schools.

Traditionally, gowns are also black. However, a number of universities have adopted alternate gowns that use their traditional school color.

The academic hoods, worn around the neck and down the back of the gown, are lined with the official colors of the college or university conferring the degree. The binding or edging of the hood is usually distinctive of the subject to which the degree pertains: economics, copper; education, light blue; fine arts, brown; humanities, white; law, purple; library science, lemon; medicine, green; music, pink; nursing, apricot; philosophy, dark blue; physical education, sage green; science, golden yellow; social science, cream; social work, citron; speech, silver gray; theology, scarlet.

CANDIDATES FOR DEGREES

Please Note:

As a courtesy to all graduates and members of their families, everyone in the audience is asked to remain seated until the end of the commencement ceremony.

Skoglund Center, where ceremonies will be held in the event of inclement weather, is equipped with a hearing assistance sound system for those who are hearing impaired. Please contact an usher if you would like to obtain a receiver.

The following names do not constitute an official graduation list. The students listed here were considered candidates for the degree indicated as of 12 p.m. on Thursday, May 27, 2021, when the program was printed, as well as others invited to take part in the ceremony. We have made every effort to ensure this list is as complete and accurate as possible.
