## HYMN

*Now Thank We All Our God*

Now thank we all our God, with heart and hands and voices,  
Who wondrous things has done, in Whom this world rejoices;  
Who from our mothers' arms has blest us on our way  
With countless gifts of love, and still is ours today.

O may this bounteous God through all our life be near us,  
With ever joyful hearts and blessed peace to cheer us;  
And keep us all in grace, and guide us when perplexed;  
And free us from all harm, in this world and the next.

All praise and thanks to God the Father now be given;  
The Son and Spirit blest, who reign in highest Heaven;  
The one eternal God, whom earth and heav'n adore;  
For thus it was, is now, and shall be evermore.

*The audience will please stand. [See music score on page 20.]*

Kristmenn, Krossmenn in mission blessed,  
Led by the spirit of truth,  
Running the race, pursuing our quest,  
Filled with the song of youth.  
Founded in faith to render light,  
Radiant today it crowns the height,  
Rising glorious and, under God, victorious,  
Fram! Fram! St. Olaf!  
Impelled we sing, sing to thee.  
Fram! Fram! St. Olaf! The hilltops ring:  
Fram! Fram! Free!

Grant that spirit to lead us still  
Onward as ages unroll,  
Caught by the Krossmenn, shrined on the hill,  
Steepled to lift the soul.  
Give us again the heart aglow,  
Stirred by the songs of Manitou.  
Ever glorious and, under God, victorious.  
Fram! Fram! St. Olaf!  
Impelled we sing, sing to thee.  
Fram! Fram! St. Olaf! The hilltops ring:  
Fram! Fram! Free!

### Jordan Wright '23

#### Senior Speaker

Jordan Liu Wright (she/her) is graduating with majors in dance and Asian studies. She was born and raised in Edmonds, Washington. She trained as a ballet dancer with Olympic Ballet Theatre for 13 years and happily embraced contemporary/modern dance at St. Olaf. She has been a member of Companydance for the past four years, participating in shows such as the Companydance Spring Concert, "Life in Motion" senior dance concert, and "selftitled" junior dance concert, as well as alongside Emmy Award-winning artist Caliph.

In studying dance theory and production, Wright has found a new passion for arts management and will continue to study at the University of Roehampton in London for the fall semester. She is a proud recipient of the Wagner-Bundgaard Award for the Dance Department for the past three academic years, and happily put her energy toward dance media management in her position as the digital dance assistant for the department. The most notable courses in which Wright was able to hone in on her dance knowledge were *Movement, the Camera, and the Creative Process*, *Dance in the U.S.*, *Dance Anatomy and Kinesiology*, and an independent study titled *The Truth Behind Beauty in Dance* in which she studied the evolution of body types and beauty standards in relation to the dance world. One of the most

significant experiences during Wright's time at St. Olaf was the opportunity to study in New York City for Interim 2023. The January course, taught by Dance Department Chair Heather Klopchin, allowed students to explore Manhattan's dance environment and dip their toes into the professional world of dance. It was a month filled with beautiful dance shows and classes, fun-filled sightseeing, and, most importantly, delicious food.

In addition to her newfound passion for arts management, Wright began her Chinese education her first year under Associate Professor of Asian Studies Hsiang-Lin Shih. As Wright discovered her love and appreciation for Chinese Literature, she continued her studies in the Asian Studies Department's Asian Conversations program and participated in courses such as *Classical Chinese Literature*, *Anime Philosophy*, *Modern Chinese Literature*, and *Asian Calligraphy*. Other courses of interest during her four years included *Feminist Theology*, *Nutrition and Wellness*, and *Witchcraft*.

Her family includes parents Olivia and Elmo Wright, sisters Sidney and Harper, and grandparents who have provided continuous love and support for the past 21 years.

## THE COLLEGE HYMN

“Fram! Fram! St. Olaf!” takes its title from “Fram, Fram, Kristmenn, Krossmenn,” the motto of St. Olaf College. The motto — which means “Forward, Forward, People of Christ, People of the Cross” — was adopted in 1874 by the Reverend Bernt Julius Muus, founder of St. Olaf. It is derived from the battle cry of Norway’s patron saint and eternal king, Olav II Haraldsson, King of Norway (A.D. 1016–1030). Olav’s death at the Battle of Stiklestad made him a rallying point for nationalistic movements and helped establish the Christian church in Norway.

The song was written by F. Melius Christiansen — longtime conductor of the St. Olaf Choir — in 1927 and was used for the first time at Commencement in 1935. Though it was not sung again at Commencement until 1966, it has been a permanent part of the ceremony ever since.

## THE ST. OLAF COLLEGE GONFALON

Composed of the college colors and showcasing the college seal, the St. Olaf College gonfalon leads the commencement procession. Following the gonfalon in the procession will be President David R. Anderson ’74 and Provost and Dean of the College Marci Sortor, the platform party, the faculty, the traditional black and gold class banner announcing the class year, and the graduating class.

Gonfalons first appeared in medieval Italy, where every hamlet had its own brightly colored banner with symbolic references to the town. It was carried in official processions by a *gonfaloniere*. Today, gonfalons appear in college and university commencement exercises worldwide.

## THE ACADEMIC PROCESSION

The traditional academic procession introduces many of the more formal and significant events at St. Olaf, as it does on most college and university campuses. Although the history of wearing distinctive apparel as an indication of scholarship and academic rank dates back to 1321, the practice was not adopted throughout the United States until about 1900.

The cap worn almost universally in academic processions is the Oxford cap, better known as the mortarboard. It is always black. A different style, called the Cambridge cap, resembles a large beret.

The use of a dark robe in academic processions is thought to have arisen from the clerical practice of wearing a cape or mantle in religious processions in the 12th and 13th centuries, when universities arose from cathedral schools.

Traditionally, gowns are also black. However, a number of universities have adopted alternate gowns that use their traditional school color.

The academic hoods, worn around the neck and down the back of the gown, are lined with the official colors of the college or university conferring the degree. The binding or edging of the hood is usually distinctive of the subject to which the degree pertains: economics, copper; education, light blue; fine arts, brown; humanities, white; law, purple; library science, lemon; medicine, green; music, pink; nursing, apricot; philosophy, dark blue; physical education, sage green; science, golden yellow; social science, cream; social work, citron; speech, silver gray; theology, scarlet.

## CANDIDATES FOR DEGREES
