HYMN

Now Thank We All Our God

Now thank we all our God, with heart and hands and voices,
Who wondrous things has done, in Whom this world rejoices;
Who from our mothers' arms has blest us on our way
With countless gifts of love, and still is ours today.

O may this bounteous God through all our life be near us,
With ever joyful hearts and blessed peace to cheer us;
And keep us all in grace, and guide us when perplexed;
And free us from all harm, in this world and the next.

All praise and thanks to God the Father now be given;
The Son and Spirit blest, who reign in highest Heaven;
The one eternal God, whom earth and heav'n adore;
For thus it was, is now, and shall be evermore.

The audience will please be seated.

COLLEGE HYMN

Fram! Fram! St. Olaf!

The audience will please stand. [See music score on page 20.]

Kristmenn, Krossmenn in mission blessed,
Led by the spirit of truth,
Running the race, pursuing our quest,
Filled with the song of youth.
Founded in faith to render light,
Radiant today it crowns the height,
Rising glorious and, under God, victorious,
Fram! Fram! St. Olaf!
Impelled we sing, sing to thee.
Fram! Fram! St. Olaf! The hilltops ring:
Fram! Fram! Free!

Grant that spirit to lead us still
Onward as ages unroll,
Caught by the Krossmenn, shrined on the hill,
Steepled to lift the soul.
Give us again the heart aglow,
Stirred by the songs of Manitou.
Ever glorious and, under God, victorious.
Fram! Fram! St. Olaf!
Impelled we sing, sing to thee.
Fram! Fram! St. Olaf! The hilltops ring:
Fram! Fram! Free!

THE PROGRAM

Miriam Clapp '24

Senior Speaker

Miriam Clapp (she/her) is a Chinese and quantitative economics major from Chicago, Illinois. She is a member of the National Collegiate Chinese Honor Society, Omicron Delta Epsilon, and Phi Beta Kappa.

Clapp has enjoyed merging Chinese studies with her interests in economics, religion, and music through her coursework and various research projects. She has held student work positions as an introductory econometrics supplemental instruction leader for the Academic Success Center and as a teaching assistant for *Introduction to Economics* and *Macroeconomic Theory*. She also enjoyed working as a peer leader for the St. Olaf Orientation to Academics and Resources (SOAR) program for incoming first-year students.

An avid violinist, Clapp has had many opportunities to be involved in music at St. Olaf. Some of her favorite musical memories include playing as a soloist and serving as student manager for the St. Olaf Philharmonia, touring with the St. Olaf Orchestra last fall, Christmas Festival at Orchestra Hall, performing chamber music, serving as president on the St. Olaf Orchestra Council, and giving her senior recital. She also recently began playing the hardanger fiddle, a traditional Norwegian instrument similar to the violin. Outside of her academic and musical pursuits, Clapp enjoys swing dancing, cooking a wide variety of food, drinking bubble tea, spending time outside, and traveling.

She is thankful for the opportunities she has had to study abroad on various St. Olaf programs. Clapp spent a semester at National Taiwan University, which helped her improve her Chinese language fluency, build community overseas, and more clearly define her career goals to work in an international space. She also had the opportunity to travel to Norway during January Term 2024 as part of the Piper Center for Vocation and Career's Norway Innovation Scholars Program. With a small team of Oles, she conducted market research and developed a launch plan for a Norwegian biomedical startup company.

Clapp was awarded a prestigious Princeton in Asia Fellowship and will spend a year after graduation working at a startup incubator in Taipei, Taiwan. She is thankful for all the support she has received from the economics and Asian studies faculty, the career coaches in the Piper Center, and her advisor, Assistant Professor of Economics Allison Luedtke. Clapp will miss her friends and community on the Hill, but she is excited for her next adventure!

Clapp's family includes her parents, Karen and Bill; her younger sister, Ellen; and pets Luna, Caspian, and Dakota.

THE PROGRAM

THE COLLEGE HYMN

“Fram! Fram! St. Olaf!” takes its title from “Fram, Fram, Kristmenn, Krossmenn,” the motto of St. Olaf College. The motto — which means “Forward, Forward, People of Christ, People of the Cross” — was adopted in 1874 by the Reverend Bernt Julius Muus, founder of St. Olaf. It is derived from the battle cry of Norway’s patron saint and eternal king, Olav II Haraldsson, King of Norway (A.D. 1016–1030). Olav’s death at the Battle of Stiklestad made him a rallying point for nationalistic movements and helped establish the Christian church in Norway.

The song was written by F. Melius Christiansen — longtime conductor of the St. Olaf Choir — in 1927 and was used for the first time at Commencement in 1935. Though it was not sung again at Commencement until 1966, it has been a permanent part of the ceremony ever since.

THE ST. OLAF COLLEGE GONFALON

Composed of the college colors and showcasing the college seal, the St. Olaf College gonfalon leads the commencement procession. Following the gonfalon in the procession will be President Susan Rundell Singer and Provost and Dean of the College Marci Sortor, the platform party, the faculty, the traditional black and gold class banner announcing the class year, and the graduating class.

Gonfalons first appeared in medieval Italy, where every hamlet had its own brightly colored banner with symbolic references to the town. It was carried in official processions by a *gonfaloniere*. Today, gonfalons appear in college and university commencement exercises worldwide.

THE ACADEMIC PROCESSION

The traditional academic procession introduces many of the more formal and significant events at St. Olaf, as it does on most college and university campuses. Although the history of wearing distinctive apparel as an indication of scholarship and academic rank dates back to 1321, the practice was not adopted throughout the United States until about 1900.

The cap worn almost universally in academic processions is the Oxford cap, better known as the mortarboard. It is always black. A different style, called the Cambridge cap, resembles a large beret. The use of a dark robe in academic processions is thought to have arisen from the clerical practice of wearing a cape or mantle in religious processions in the 12th and 13th centuries, when universities arose from cathedral schools.

Traditionally, gowns are also black. However, a number of universities have adopted alternate gowns that use their traditional school color. The academic hoods, worn around the neck and down the back of the gown, are in the colors of the college or university conferring the degree. The binding or edging of the hood is usually distinctive of the subject to which the degree pertains: economics, copper; education, light blue; fine arts, brown; humanities, white; law, purple; library science, lemon; medicine, green; music, pink; nursing, apricot; philosophy, dark blue; physical education, sage green; science, golden yellow; social science, cream; social work, citron; speech, silver gray; and theology, scarlet.

CANDIDATES FOR DEGREES

Please Note:

As a courtesy to all graduates and members of their families, everyone in the audience is asked to remain seated until the end of the commencement ceremony.

Skoglund Center, where ceremonies will be held in the event of inclement weather, is equipped with a hearing assistance sound system for those who are hearing impaired. Please contact an usher if you would like to obtain a receiver.

The following names do not constitute an official graduation list. The students listed here were considered candidates for the degree indicated as of 12 p.m. on Thursday, May 23, 2024, when the program was printed, as well as others invited to take part in the ceremony. We have made every effort to ensure this list is as complete and accurate as possible.
