

- ☐ Stage Right- Referred to as the **nicest chair in the room**. Be careful about blocking sightlines to entrance hallway.
- ☐ **Ottoman**- the rehearsal cube. Something without a back so it doesn't block sightlines to the entrance hall.
- ☐ **Sofa**: a lower back is good. No wider than the three chairs. The **table behind** can be a more typical sofa table- $\frac{3}{4}$ the width of the sofa and not very deep. **Two pillows**
- ☐ Stage left of couch- the **chair here** could be a nice dining chair with arms. Should be modest in size so sightlines to stairs work well. One **armchair pillow**
- ☐ Desk- OK. Need a very nice **stool that can spin**. Wheels optional.
- ☐ **Coat tree**- Important visual. Find an interesting piece.
- ☐ Oriental **carpet**? Just a bit wider than the couch 5x7?
- ☐ Fireplace **tools**. Fire **screen**??
